CRIMINAL RECORD CHECK NOTIFICATION and AUTHORIZATION for VOLUNTEERS

PREFACE

In response to the issue of sexual abuse of children by those in the employ of the Church, the United States Bishops in 2002 adopted the *Charter for the Protection of Children and Young People*. One of the provisions of the *Charter* calls for each diocese in the country to implement checks to determine if a current or prospective volunteer who works with minor children and youth has a criminal record or is listed on any sex offender registry. The Diocese extends that protection to vulnerable adults too. Because these checks are conducted on behalf of the Parish/Diocese by a third party they are subject to the Fair Credit Reporting Act; however, these checks **do not** seek information related to an individual's credit history or credit worthiness. The purpose of the check will be to verify the individual's identity and to ascertain if there is any previous criminal record. **A report on your credit history will not be requested or obtained.**

It is important to note that the purpose of this authorization form is to obtain background checks to help maintain a safe environment for children, young people and vulnerable adults. In order for these record checks to occur, the authorization must be signed. The Fair Credit Reporting Act provides the opportunity to address any negative information gained as a result of the criminal record check. In addition, by signing this authorization the individual does not waive any rights under the Fair Credit Reporting Act.

A. NOTIFICATION THAT A CONSUMER REPORT MAY BE OBTAINED

VOLUNTEER CODE OF CONDUCT

(Creating a Safe Environment Online Training)

Children, youth and vulnerable adults are important gifts entrusted to us by God. I recognize my first obligation is to give a good example of charity; kindness and integrity to those I serve. As a volunteer, I promise to strictly follow the rules and guidelines in this Volunteer's Code of Conduct as a condition of my providing services to children, youth, or vulnerable adults.

Volunteers shall

- Understand that the only appropriate relationship as a volunteer is that of adult volunteer minister, not friend or peer to a child, youth or vulnerable adult.
- Establish and maintain safe environments by preserving appropriate boundaries with children, youth and vulnerable adults.
- Witness in all relationships the chastity appropriate to one's state in life, whether ordained or lay, married or single.
- Treat each person with respect, charity, patience, courtesy, dignity, and consideration.
- Immediately report any suspected abuse to the **staff person** in charge (Immediate supervisor)
- Cooperate in any investigation of suspected abuse of children, youth or vulnerable adults.
- Be familiar with pertinent safety policies and follow them.
- Participate in appropriate training as required by supervisor.
- Work in pairs or as part of a team when working with children, youth and vulnerable adults.
- Utilize a "buddy System" with children, youth or vulnerable adults so that children, youth, and vulnerable adults are not alone with adult volunteers at Church activities.
- Maintain sleeping quarters for adults separate from children/youth/vulnerable adults except when using dormitory style accommodations as a group. (Never share a bed with a child, youth or vulnerable adult)
- Use a "one to many" for electronic communication: that is, use broadcast/group distribution for electronic communication with children, youth or vulnerable adults. Do not use one on one personal electronic communication. (When responding to a personal message, copy your response to your immediate supervisor.)
- Meet with children, youth or vulnerable adults in public places or on church property.
- Use the Internet as a resource for programs, but do not access, download or share obscene or inappropriate material, chain letters, jokes, etc. with children, youth or vulnerable adults.
- Gifts **given** by volunteers to children, youth or vulnerable adults should be "tokens", not expensive or inappropriate.
- Gifts **received** by volunteers from children youth or vulnerable adults should be tokens, not expensive or inappropriate. Gifts may only be received with validated approval of the pastor, principal or pastoral administrator.
- Use positive reinforcement with children, youth and vulnerable adults rather than criticism, competition or comparison.
- Employ appropriate conduct, speech and dress.

Volunteers shall not

- Use, possess or be under the influence of alcohol and/or illegal drugs while responsible for children, youth, or vulnerable adults at any church activity or event.
