

Minutes from Communications Communications Meeting

5/18/09

Present: Mike Redlin, Matt Cooney, Pat Cote, Chris Pollock, Rich Marisa

Meeting Dates over the Summer:

- June -- none, stuff done by email if necessary
- July -- none
- August 17th

Agenda Items:

1. Approved Minutes from 4/20 meeting.
2. Discussed Flocknotes as a communication tool for StC
 - Capability offered: notes/messages posted by one user are automatically pushed out to other users using their choice of electronic channel (e.g., cell phone, email, etc.)
 - Probably not for StC because:
 - a. too complex on top of what StC already has
 - b. extra stuff to learn
 - c. there is no need without at least one person wanting to use/drive the communications
 - Mike will inform Fr Mike in response to his email
3. Assign ministries and committees to Comm Comm members in order to collect desired information and upload to website so that information is available to parishioners and non parishioners and the groups have been stimulated to think clearly about what they do. Several thoughts surfaced:
 - Each comm comm member will make contact, collect information and forward to Rich by with a goal of having this all done by the August meeting.
 - Add a Ministries Tab to help organize this information on the website
 - All will send collected information to Rich. He will edit and upload
 - There would be one page with links to other Catholic and religious organizations (e.g., Catholic charities, Loaves and Fishes)
 - Using the "Opportunities to Worship, Serve and Witness" document, the following assignments were agreed to:

Group	Person to Contact	Comm Comm Member
Liturgical Ministries	Sr Mary	Matt
