

Dear «Informal_salutation»:

The Pastoral Council invites you to attend an important Parish Facilities Forum on Sunday, October 4, 2009 from 1:00-2:00pm in the Parish Center.

The PC will be sharing much new and updated information about two topics and answering your questions:

1. The facilities projects
2. The fundraising campaign that Sr Mary will be announcing at the Masses on October 3&4.

St. Catherine's is your parish and its facilities are an essential component. Be in on creating the future!
