

## MAY 9/10 PULPIT PROMO FOR CASE STATEMENT AND ON-LINE QUESTIONNAIRE

My name is \_\_\_\_\_ and I am a parishioner here at St. Catherine's. I'm here to emphasize the importance of your completing the following tasks this weekend:

1. Please read both church bulletin inserts that you'll pick up as you leave church today. One insert discusses a facilities project option that is designed to elicit feedback from you. The proposition in the insert—called a Case Statement—**is not a decision already made**. It is there to help The Pastoral Council determine St. Catherine's financial capacity for undertaking facilities actions. So please read the statement carefully.

2. After you read these two inserts, please also complete a confidential on-line questionnaire that will capture your views on the Case Statement. You may find the questionnaire link at St. Catherine's website, [www.stcathofsiena.org](http://www.stcathofsiena.org). The address is also printed in the bulletin.

We urge you to enter your name where indicated on the questionnaire. Note: the questionnaire states that this is optional, and technically it is. However, if you do include your name, it would allow the consultant to follow up with you in the unlikely event there is a need to clarify your answers.

Your responses will not be associated with your name to anyone in the parish. An independent consulting firm, RSI, will summarize the responses and will provide the Pastoral Council with the results. The Council will then share this information with you.

So, the two inserts in the church bulletin today are very important. Please read them and then provide your comments via the on-line survey. If using the internet poses a problem for you, hard copies of the questionnaire, along with a pre-stamped envelope, are available as you leave today. Or, you may obtain a copy during regular office hours at our church office, complete the questionnaire, and mail it directly to RSI.

If you have questions, please phone the church office and a member of the Steering Committee will get back to you.

Thank you. This is our parish. Please help to shape its future by completing the questionnaire.
