

My name is . I'm a parishioner at St. Catherine's (and a member of the Pastoral Council). You have heard from us before about the importance of the current Feasibility Study. This Study will evaluate St. Catherine's financial capacity to undertake possible facilities projects for the betterment of our parish.

Today I stress that this coming Thursday, May 21st, is the last day for you to have your views heard.

Today's two bulletin inserts explain the details.

If you have questions, please contact the church office, and someone from the church's Steering Committee will get back to you.

This Study will set the direction for St. Catherine's for many years. This is your parish, and its destiny is under your control. Please do your part now to shape our parish's future.

Again, please complete the questionnaire before Thursday, May 21st.

Thank you.
