

Dear Volunteer Driver,

Thank you for volunteering to provide transportation to our parish. We truly appreciate your service!

A Department of Motor Vehicles background check (Diocese of Rochester Volunteer Driver Form) is done annually and is only required for those volunteers who are driving students or adults from point A to point B. A background check from the DMV will **not** be done for volunteers who are not transporting/driving anyone.

If you are volunteering to provide transportation, please fill out the attached Volunteer Driver Form and submit it along with the following items listed below:

- 1.) A copy of your Driver's License
- 2.) A copy of your Auto Insurance Card

*Please note:*

*The minimum accepted liability limit for privately owned vehicles is \$300,000 per person/\$300,000 per accident for Bodily Injury and \$100,000 for Property Damage or Combined Single Limit of \$300,000.*

To clarify: CASE Training, the Code of Conduct and routine Background checks are to be completed by every volunteer, every three years. Volunteer Drivers will complete their CASE requirements every three years and in addition, have their DMV checks done annually.

Please do not hesitate to contact me with any questions or concerns you may have about CASE training.

Sincerely,

**DIOCESE OF ROCHESTER**

***Volunteer Driver Information Sheet***

In New York State, coverage follows the owner of the vehicle. That is, the owner's personal auto policy is the primary insurance in effect to cover claims arising out of an accident during a bona fide parish/school function. If a claim arising out of an accident during a bona fide function exceeds the personal auto policy, the Protected Self Insurance Program (PSIP) automobile coverage is excess to that policy and under most circumstances would respond to claims beyond the volunteer's policy limits. Employees or volunteers who seek protection under the PSIP coverage are required to stay within the scope of their activities in terms of routes taken. In other words, coverage beyond the personal auto policy would be afforded only for "point A to point B" trips and would not respond where deviations are taken.
